Getting Ashore: Ships dock in Charlotte Amalie, the capital of the US Virgin Islands. **Fast Fact:** St. Thomas is the 2nd-largest and most populated of the US Virgin Islands. **Port Shopping:** US residents enjoy a larger duty-free allowance here than on other islands. Check out downtown, Havensight Mall, and Crown Bay Center.

PORT HIGHLIGHTS

Magens Bay Beach

Named one of the world's most beautiful beaches by *National Geographic* and other revered publications, Magens Bay epitomizes the term "tropical paradise."

Skyride to Paradise Point

The best views of the harbor, Water Island, and beyond.

Havensight Mall

With more than 100 stores and businesses offering duty-free prices on diamonds, luxury watches, handcrafted jewelry, and more, prepare for top-notch bargains.

THE SHOPPING MECCA

The liveliest of the US Virgin Islands, St. Thomas is 32 square miles packed with things to see, do, and explore. White-sand beaches, world-class shopping, aquamarine waters, even more shopping, mountains, historic sites, and, did you hear about the shopping? There's duty-free, tax-free shopping for everything from gemstones and jewelry to crystal and china to linens and fragrances, with prices up to 60% less than on the US mainland.

It's a short taxi ride to Charlotte Amalie's historic waterfront district. The heart of the retail paradise is Main Street, also known as Dronningens Gade. The cobblestoned alleys that connect the waterfront with Main Street are lined with former pirate warehouses, now filled with imported luxuries. Many store exteriors still resemble old warehouses, but a look inside reveals deals on some of the world's best luxury-brand watches, jewelry, leather, cosmetics, electronics, and more.

GUARANTEE

Shop with confidence. All merchants on this map have been carefully selected; each offers a 30-day guarantee to cruise line guests. This guarantee ensures buyers that all recommended merchants will repair or replace any unsatisfactory item, excluding buyer's negligence, buyer's remorse, watches, and lost or stolen merchandise. Some watches and other branded merchandise will be repaired or replaced by the brand's service centers.

Many stores in port offer their own guarantees; please see sales associate for additional information.

For purposes of determining quality and value of jewelry related to a buyer's complaint, only appraisals secured by a buyer from gem laboratories or independent graduate gemologists not affiliated with jewelry retailing will be acceptable. Watches and other branded merchandise valuation comparisons must be based on retail prices offered by authorized brand retailers.

All returns must be authorized by the merchant. Please ask about individual store return policies before purchase.

The port shopping program is offered and operated solely by Royal Media Partners, LLC, which stands behind all customer relations claims relating to the guarantee.

Participating merchants have paid an advertising fee to Royal Media Partners for inclusion in this program.

If you become aware of a problem during your cruise, please contact the shopping guide on your ship for immediate assistance.

If a problem arises after your cruise but within 30 days of the purchase date, you may initiate your claim by contacting the customer relations department at Royal Media Partners.
